Essential Role
&
Woman's
Essential Role**

INTRODUCTION

The Bible is God's blue print. It holds the guidelines and answers to marriage, which is the grace of life and children are a blessed heritage from the Lord.

The family is the heart and soul of human society; a place of intimacy, joy, memories, love and security. A place where confidence is built and all the roots of what we will be, has its roots in our childhood.

The mind set today is self-centered pride: "I am going to stay with you as long as you give me what I want". The emphasis is on individualism, rights, "I do it my way", freedom and liberties and self esteem.

And all this thinking and behaviour is deadly to any meaningful marriage and family relationships, because with our rights we have lost our privileges; and in the end the price of our freedom and rights will be loneliness and isolation.

And because of selfishness we see one another as a burden and an obstacle; and you cannot have selfish people living together and expect to build a meaningful relationship. It's a battle of people struggling to humble themselves.

We must learn that the basis is the Word of God. It's not a question of how many times you have done this or that or who is in charge or what methods you've used. It has to start with God, His spirit, His word, praises and adoration to Him, being thankful for all things, living and pleasing one another.

This generation is consumed with iniquity, fulfilling its own desires, no joy, no thanks; a generation of insanity, unthankful, proud, boastful, and full of all kinds of ideologies like humanism, sexual freedom, lesbianism, homosexuality. All these destroy the family structure.

Many of these ideologies are born in our universities. They say you don't need to get married, you can just live together, until you are tired of one another, then find another partner. These ideas are selfishness which leaves us only with a disaster.

God has designed authority in the family. In I Corinthians 11 we see God, Christ, a man and a woman.

There is an authority on the husband and father level, as leader, provider, protector. He has been placed in that position of authority, but the longing of his heart's desire should be his partner's needs, which should compel him more than his own. That is what creates the balance.

Before we take a look at the roles of the man and the woman and the role of the children, we got to see our role as a believer, because with Christ you have equality with God, yet submission.

And without God's pattern as laid out in Ephesians 5, the order of the authority and equality, marriage will become a difficult struggle and very unfulfilling. It becomes a battle for individual rights; it becomes a conflict.

We hear so often how insensitive men are and how oppressive men become; and then we hear about women being overbearing, seeking freedoms, and the exercising of their own wills, and not wanting to submit to their own husbands. Why is this? It is because of sin.

And part of the curse is, the woman no longer willingly, eagerly welcomes submission, but there is so much in her that wants to control over man. She wants to usurp authority. That's what Eve did. She left the protection of her husband and made her own decision. She acted independently; she took things into her own hands.

Why are there woman liberation movements? Why are there male chauvinist movements saying, that the male must rule with aggression, by fear?

It has been and always will be, man seeking to rule and man desiring to oppress, having this feeling he is better than the woman.

Woman wants to extend her individualism and man oppressing and being insensitive to her needs.

The battle of the sexes began in Genesis 3, a man ruling by fear and woman not willing to submit to leadership; and children coming into the family just enters the ring during the boxing match, which is not a good place for children to be in.

And both male dominance and female rights and power have come through human history and through various cultures, each one expressed the effect of the curse.

No matter how stable and sound the culture might be, yet there is conflict which has come upon us because of the fall.

Somebody is responsible to lead and the other to follow. It has got nothing to do with inferiority at all; it has to do with harmony.

The woman is not to seek and usurp the authority of the man and a man is not to unkindly, insensitively rule over his wife.

And whenever this is allowed, it creates massive chaos, but when the Divine pattern is followed the entire relationship is right.

That is why it is most important to understand the simple principle in marriage. It is not burdensome, it is not abusive, it is not difficult under God's divine order.

They both thrive in their roles perfectly and when conflict comes, it is easily resolved because they adore each other.

Each partner needs to be devoted to their role and by the Spirit of the living God all things are possible.

Trusting that the following quotations taken from the sermons preached by William Branham, the End-time Messenger will be a blessing to you.

MAN'S ESSENTIAL ROLE

MAN'S ROLE

Head of every man is Christ

Brother if you ever amount to anything, you've got to love God better than your wife, your husband, your children, your pastor, your...everything that there is, you've got to love God first. God gets first place. We give Him about tenth place. But He deserves the best we got and the first we got. And all we got.

Husband - head/ruler of the house

And I look upon the streets and friends it's .. You say, "now, Brother Branham, about me wearing long hair." The Bible said, "if a woman cuts her hair, her husband has got a right to divorce her. "You say, "Where do you find that?" In Corinthians. If she cuts her hair, she dishonours her head and her husband is her head. That's correct. And a dishonourable women should not be lived with. That's right.

Behold I stand at the door and knock 58-0617

"Wonder if you women are willing to let your hair grow out? Wonder if you man has got enough courage to tell her that? You're supposed to be the head of the house. She's the neck, she turns you. That's contrary!"

Just one more time, Lord.

"..Your never seen man that was afraid to stand up and afraid his little wife would leave him or something another, because he took the initiative. Well, man were man in them days. They spoke, they were man, they governed their house. They were the head of the house. But ? fancy American..."

Just one more time, Lord 63-020

"Now, God didn't curse Adam. He might have done the same thing but He cursed the earth - thorns and thistles. He didn't curse Eve, But said Adam would be her ruler. From now on she ain't trying any preaching or anything; Adam is her ruler..."

The Future Home 64-0802

"And by the way, a man that'll let his wife do that, he's guilty double of it, 'cause he's supposed to be the one that has the say so in the house. And that man can't even rule his own house; how could he do it in the house of God? See?"

Questions and Answers

"Some of you man'll get that wishbone out of you and get a real he-man backbone in you and make your wife straighten up! Spank that little old daughter of yours running around out on the street and some man insult her, and then you go around wanting to have the man arrested. You ought to have a whipping! You're the guy; you brother! That's right. You're the one. You ought to be the ruler of the house. God is holding you responsible the

way you're letting that girl do.”

Marriage Supper

Immoral thing for woman to cut her hair

You say, “You’re always talking on our women, about our women.” All right man, I will comb you down once then. Let me tell you something. Any man that’ll let his wife smoke cigarettes and wear shorts, I got little respect of him even being a man. He’s so sissified. He don’t even know what he belongs to. He ain’t a man. That’s right. Oh, Hallelujah. That’s right. He’s a poor excuse for a man. Oh, he may be six foot tall, weigh two hundred pound, but that don’t look like a man to me. That shows who’s boss around the house. She will stomp her foot, “I tell you right now, “ and you’ll bow down like you was a sick kitten. What’s the matter? We need...

What we need today is man. We need Gospel preachers. And any preacher that’ll stand in the pulpit and hold back on those things, I got little respect of him being called of God. Right. A man that’s ashamed to stand in the pulpit and tell the God’s truth, when he knows it’s an immoral thing for a woman to cut her hair. The Bible..a man’s got a right to leave his wife and give her divorce when she cuts her hair. The Bible said so. Who’s the head of the woman? Her husband.

The Seal of God

Home/Wife under your control

Do you know, ladies, that it’s wrong to wear slacks? Do you know that? Do you know it’s wrong to cut the locks of your hair off? Do you know it’s wrong, mister, for you to continue to smoke and act the way you do? Do you know it’s wrong for you not to be the husband of your house, your wife get a little temper spell and kick you out the door and you say, “Yes, bless your heart, honey, I will come right back”? Do you know you...How can you be a tender at the House of God when you can’t even control you own house? That’s exactly right. Do you know, sister, that your husband is not only your husband, but he is your ruler? God said so. Because that the husband was not deceived, the women was deceived. And you preachers will continue to make women pastors and preachers in you churches, knowing that the Work of God condemns it.

Position in Christ 60-0522

Provider

Now we’re gong to talk about it for a few minutes. The Divine Architect has prepared it, designed it. And look, He’s designed it with tender hands for His beloved Bride. What’s it going to look like? Could you imagine a man marrying a wife, that’s able, how he builds and puts every little thing just exactly to her touch, just what she’d like. Amen!

Future Home 64-0802

He said, “Oh, you can have her, Bill. Go on, it’d be good to her. “Oh, my. I love him to this day. I said, “Charlie, I can’t make her a living like you do. I can’t give her clothes like you can buy her. But I promise you this: I will love her with all my heart. I will work till my hands bleed to make her a living. And I will be as true to her as I know how to be.”

He put this..He was a German. He put his big hand over on me. He said, “Bill, I’d

rather you would have her and be good to her, than somebody that had a lot of money would treat her mean.” I said, “Thank you, Charlie.”

Life Story 50-0200

Decision maker-Facing the consequences of it

I walked away, went down. She looked at me, Hope did, she said, “Bill, that is my mother, but I will go with you.” See? I said... God bless her heart. She said, “I will go with you.”

And I said, “Honey, I... “I said, “I guess I’m carrying water on both shoulders. But I said, “I don’t want to hurt her feelings. “:She said... I said, “What if something would happen to her and then you would be worried all you life, you-you broke your mother’s heart.” I said, “Maybe we will just put it off a little while.”

And friends, there’s where I made the worst step I ever made in my life, right there. We put it off.

About few weeks after that, things begin to happen. The flood came on later from that. And the first thing you know, wife got sick, Billy got sick doing that wrong.

Right after that, little girl. just eleven months difference between Billy and his little-his little sister, which was Sharon Rose.

Life Story 52-0720

Spiritual Head/Guide - of wife and children

I’m - not to hurt your feelings, but you’ve known I’ve always stood for it-I don’t agree with women ministers, because it’s not supposed to be that way, see. She’s the weaker vessel. Now, we find that this woman was deceived by someone quoting her the Word, and just missed it a little bit. That’s what caused all the trouble.

That’s the reason Paul said, “Let her keep silent in the church, and not permit her to speak,” and so forth. Now notice.

Identification 64-0216

“Adam, was not deceived. Adam knowed exactly he was doing wrong; but his wife, doing the things that she was doing, persuaded him to - to partake of the forbidden.

Why, he was a man, see, and it was so to him that he... You understand, see. He knowed he was doing wrong, but Eve thought she was doing right.”

Ten Virgins 60-1112

I can imagine. It was on a Sunday afternoon when he spoke to him maybe. On Monday morning how’s he going to do? Poor little Isaac, he looks at him. Oh, he loves him. But I can’t look at that. I got to think of obeying of God. So he couldn’t tell Sarah. ‘Cause, you know, the ladies are the weaker vessel. So you sometime you have to watch. “So I can’t tell Sarah ‘cause she wouldn’t understand.

Sarah never was too strong anyhow in the faith. ‘Cause she lacked, she disbelieved the promise. But Abraham held her, because the man and woman are one. The woman could not be saved in the Old Testament only by the man, ‘cause it was circumcision. And she had to be joined to her husband in order to receive it. But in the last days, God’s poured out His Spirit, and the women are circumcised in the heart just like man.

Jehovah Jireh 56-0429

Accountable for wife for her actions - Responsibility

And how today that we've got away from that. It's a... They go to the-the church.

And this woman, she went into the church out there. She done a very good job; she was a piano player. And after while, she begin to notice the women in her neighbourhood begin to dress immodestly, how they get out and mow their yards with them little old clothes on. I hope there's none of them here tonight. And it's a disgrace to you, sister. God be merciful to your sinful soul. What else would do that but evil spirit full of lust. You don't want to think that, but that's exactly. The only person that ever stripped their clothes in the Bible was a maniac. That's right. Put on your clothes and act like a lady. Your husband ought to be whipped for letting you do it in the beginning.

So then the first thing... Now, she thought she'd go get by with that, 'cause the rest of the women in the church was doing the same thing. The -she thought she would do it. So she started to doing it. That led on till they begin to smoke cigarettes, so she thought she'd smoke cigarettes. And she continued playing. There's was nothing said too much about it around the church.

Expectation 55-1001

Man to answer for wife - solely responsible for wife.

Listen here, the man is the ruler, don't you think you can rule the house. You're not the ruler of the house. You're absolutely. You're not a slave now, but you're a helpmate. And Adam... The man has the rule over his wife, and he's responsible solely for his wife. God makes the man answer for his wife. Now, read and see if God says that now.

Questions & Answers Hebrews Part 3 57-1006

"Now, now, I think that would get that, man and women. Now, a woman is... Let me get this in right good now, so you can see it, see. Woman is subject to her husband. And the Bible said that "A man should rule over his wife. "But how they've changed that! The women rules over the man, "Now, you stay home, John! You're not going!" And that settles it, "Yes, my dear." See?

But let me tell you something mister. Your are going to have to answer for your wife, but your wife is never going to have to answer for you. You are the head of the woman., and God is the head of man. Therefore He said, "Let the man cut his hair because of Christ. And let the woman have her hair, for if she cuts her hair she dishonours her husband." See? You see what I mean by what the Scripture says?

Question & Answers C.O.D p-23

Rule with character otherwise mistreating self

And you woman that take another man in your arm, you've marred the mold that you were taken from, remember that. When you act like a man, you're out of your place.

And when man begins to get sissy too, babying and this, that and the other, he's out of his place. He's boss, he's ruler. Now-now I don't mean a floor mat, I just said a ruler, a helpmate. Not to kick women around, they're not.

But the Bible said, God said in the creation, "You shall rule over you." Not to be a boss, but to be a helpmate, part of you. She's sweet, and kind, and tender, you should lead her

around sweetly because she's a part of you. You go to mistreating her, then you're mistreating yourself. And a man mentally right won't do that, all right.

Live such a life for reverence

Oh, for the grace of God that He'd give us understanding of such great mysteries.

As Paul spoke here further on down in Ephesians speaking of the husband and wife, and said, "This is a mystery, "how the women should be in respects to their husband. Even the second place, I believe it is, in the entire Bible that reverence was ever spoke to , said, the women seeing she reverence her husband - reverence her husband. Then a husband ought to live such a life before his wife that his wife could reverence him as a son of God. And if he doesn't live that kind of life, well then, course she wouldn't reverence him, 'cause she knows what he's made of. But when it is a man that is reverent man - reverent and clean with his wife, and before his family, a real servant of God, then the women, children, all should respect that servant of God with a reverence.

A Thinking man's filter 65-0822

Duty to wife

Oh, I...perhaps, I don't say I have it's cause, but maybe, there might have been one more girl in the world that I could have married. But you know, I-I found the one lady that I really love. And I-I ask her if she thought that much of me. She said, "Yes". So we got married.

And I told her, "Now look, all my love I give to you. "No matter what other are, that woman has my love. When I...perhaps, I go down the street, and here comes a more attractive girl than my wife, or.. And she says, "Oh, Billy. I really love you with all my heart."

Now the first place, see, if she has a love for me, it's bound to be false, 'cause my first duty is to what I pledged to my wife, that's her first. I got to think of her first.

She's my first. I told her I'd give her all my love. And then my first duty is to my wife. I'd say, "Now, look, sister. You're just infatuated, or something, but oh, you're---you're - you're not in love." See? "And I'm not in love with you. Because I love one woman, and that's the mother of my children." See? That's my first duty.

Faith in the Son of God 52-0715

Confidence in one another

Now watch? Perfect faith is pure, just as pure as love is. See? Now, when you love somebody, and you got.. you love your husband or you love your wife. Now, there's no need of anybody telling you "you don't" do it, because you do do it, and you know you do it.

Now, if I'd ask you, "How can you prove you do it?"

"Oh, I prove it by the way I live to him." (see?) "I'm a true, honest wife, I'm a loyal, honest husband, and that proves to me that I - that I love my wife; or I love my husband." See, your life proves what you are. The same thing Christianity does. See? Your faith, you have confidence in one another, it's pure. And there's something real, that you can't show it to somebody else, yet you got it and your actions prove it. *Perfect Faith 63-825*

Love her more than another women

And if you don't truly love your wife better than any other women in the world, she's not yet... there's something wrong. If you don't love your husband, if you trifle on him and don't live the right kind of life, there's something wrong. That's right. She will not... they'll not be there. So in the resurr... You might've married him, you're living honorable to him. That's fine. I appreciate that. You should do that as a lady for your children - and you men to your wives. That's right. You should do that, honorable.

Presuming 62-0117

Mutual trust/confidence

When we get through praying, I kiss her goodbye and say, "Good-bye, sweetheart." She'd say, "Good-bye, I will be praying for you, Billy." That settles it. There's no "thou shall not," and "thou shall," nothing about it.

Now, when I'm out into the field, and when I'm out there.. And yet, I would know, and I... She don't have to worry about me. I don't worry about her. As long as I love her the way I do, she will never have to worry. And as long as she loves me, I will never have to worry. So we got confidence in each other, as husband and wife, that we love one another, and that just settles it. We don't... We just go on the regular routine of life.

Divine Love and Sovereign Grace 56-0814

To his bosom - Her print on him

Therefore when a woman tries to act like a man, dress like a man, and talk like a man, she's out of her place. A woman is feminish, sweet, loving. Not big and carrying on and acting like a man. Well, she's not supposed to be. And when she does that, her life is perverted. She's sweet, loving, kind. Where Adam is more the burly type, for he was the man, the masculine type. The woman was feminish but it's the same Spirit, for He took her from Adam.

And notice, when a man takes a wife, and he takes this wife into his bosom, we're a mixed audience, and presses this woman to his bosom as his sweetheart, she puts her print on him. Another woman there would mar it forever. They are one! No other woman should ever fit that mold. Got no right with your arms around a woman, dance floor, or nowhere, that's right. You got a wife, and you pulled her to your bosom, and God put her on your heart, and printed you against her, and she's yours! And you belong to her.

Ye must be born again 58-0619

Sweetheart

Now, in the beginning they were one. God, when He made man, He made him a dual person, both male and female. He separated him in flesh and put him here on earth in flesh, and the female part was still in spirit. Look, friends. God was so careful. Oh, how this... don't let it leave you. God never got a handful of dust and made Eve. She'd been a different creation; and she's not a creation, she's a by-product. And God goes over in the heart of Adam, this rib right out from under his heart. And takes a rib and makes the wife and the very part of Adam's spirit was in the woman and they two are one. Soul, body, spirit, they are one. They are perfect oneness, a real woman and a real husband and a real wife. They are one, together. What is it a type of? Christ. From out of his bosom... not a

by-product, not a Methodist or a Baptist or Pentecostal hatch up. No, sir. But out of His own heart He took the sweetheart, that's as pure, and loyal as she can be. She's as loyal as a lily.

Look a--look back there, Solomon speaking, "Come, my love, let us walk in the pomegranates. Let us take our fill of love. "And when the real believer opens his arms with a pure heart and holds up to Christ, that affection of that lover of Christ, goes into his bosom is His wife, just like the husband does to a real wife.

Kiss with a feeling

Like Paul Rader said when he left his home one day. He said him and wife was having a little fuss at the table. You all remember the late Paul Rader that died down here in California? The graveyard of preachers, Los Angeles, all go in there and die... So then..

When they come to the place there, when he left - said he left his wife, and they was having a little spat. And said usually at the door he'd--he'd kiss her good-bye, go on to the gate, and then they'd wave good-bye. Said that morning, he went to the door, and she kinda had her head down. Said he kissed her good-by, and went out the gate, waved back good-by.

He started down the street, and he happened to think, "What if she'd die? What if something would happen to me? She's the dearest woman on earth; how I love her. I remember when I promised her at the altar I'd live true to her. All these things here, I'd always love, honour and cherish. Oh, "he said, "God begin to deal with my heart. Back I went, through the gate, into the door, opened up the door and said "Faye, where you at? "Said, here she was... [Bro Branham sniff-Ed] (You know how a woman can do. You know.), stand behind the door and kinda crying."

Said he looked over her like that, pulled up her chin, and give her a great big kiss on the lips, turned around, said, "Bye". Said, "Bye".

He run out the gate, looked, looked around again, and said he looked back; she's standing at the door. And he said, "Bye".

She said, "Bye." Said, "She said it just like she did the first, but the last time had a feeling like it." So that's just why I like a handshake, one's got a feeling in it. That's how I like religion (Amen.):one's that a feeling in it, that you passed from death unto Life, and the Holy Ghost is witnessed to.

Sweetheart not doormat

She's supposed to listen to you. But you haven't got no right to beat her, or drag her around, or---do those things. No sir. You see, God made man a helpmate not a doormat. Remember, she's-she was your sweetheart; she should always be that."

Question and Answers 8-30-64

"Now a women is not meant to have an iron disposition She is, according to the Holy Scriptures, to be submissive to the male. That is commanded of her. Women who is truly female, all female, will be of that disposition. Not a door mat, No real male makes a female a doormat. But she will want to be under authority and not to rule over the male, for he is the head of the house if she breaks that image that God made for her, she is perverted. Any male that lets the women take authority has also broken that image and he

is perverted. That's why a women CANNOT WEAR THAT WHICH PERTAINETH TO A MAN OR CUT HER HAIR. She is never to wear garments that pertain to a male or cut her hair. When she does she is intruding into the male domain and taking authority and perverting herself. And when a women invades the pulpit which it is COMMANDED SHE MUST NOT DO, she shows what spirit she is of. Being a dominating female is Antichrist and the seeds of the Roman Catholic Church are in her though she may deny this ever so vehemently. But when it COMES TO THE WORD, Let God be true and every man's word a lie. Amen.'

Church Age Book Pg215..

Treat like a lady

You women I've hollered at you, now I'm going to take up for you in a minute? See? The women is the weaker vessel. I know there cannot be a bad man before there is a bad woman. But man who knows that, man who knows that you are a son of God, and take advantage of a women, shame on you! No matter what she does, she's a weaker vessel. And you know that. If she goes to acting unladylike, take her by the hand and talk to her like a sister. You're a son of God. Don't do them evil things.

Look at Joseph; he was an example to you.

Would not hurt her

Now, you say, "Well Bro. Branham, then if I become a Christian, I can just do anything I want to?" "Absolutely. If you a Christian, do anything you want to; and I will guarantee, you won't have any desire to do wrong. You do anything... I always did just what I wanted to. And if I serve the Lord 'cause I'm afraid I'm going to hell, I'm not serving Him right. If I live true to my wife because I'm afraid she will divorce me, I'm not a very good husband. But I wouldn't hurt her for nothing, for I love her.

Hebrews Cpt Six Pt Two 57-0908

Creating an atmosphere - Projecting Love

So I slipped over, and got an apron, and put it around me, and I begin to help her. And I said, "Honey, you know what? I saw the prettiest dress the other day. I just so wanted to get it for you. And it was in a certain city just here close, and we will go get it." And all the time in my heart praying, "Heavenly Father, quieten this dear, little women." And I put my hand, on her not knowing, her not knowing what I was doing. I'd say, "Yes, honey, oh, it was beautiful." "O Lord, quieten this little women." And just kept on you know, her not knowing... What was I doing? Was projecting, creating a different atmosphere. Walk in the love of God, have fellowship.

And in a few moments she got quiet. And when she got quiet, Sarah and Becky divided up the play blocks; Joseph got himself something to play with; and there was peace in the home.

What was it? Projecting love. They were mine, my children, my wife, and I was god.

And then God giving His Spirit, and through that Spirit, with love to my family, Sovereign grace come in and quietened the family. It'll do it. I know it will.

Tell her you love her

How can you have faith in your wife if you don't love her? That's Phileo. Now, how about Agape to God? How can it be if you don't love God? If you said you love your wife and never tell her about it, and never set down and make love to her, expressed it to her, kiss her, hug her, and tell her she is the best cook in the country, and all the things that you know, and how pretty she is, and how much you love her, if you don't do that she will never know it. That's the way. I know you do love her, you express it. That's the way we do to God. When we love him, we tell Him about it. We set down and adore Him, and worship Him, and..See, love driving us to that.

Never let the honeymoon feeling cease

And was talking about man loosing their affections for their wife and don't love them as they did when they were sweethearts. Shame on you. You ought to do it, she's always your sweetheart. Absolutely, that's the part she should be. And you should treat her like that. Oh, never let that little honeymoon cease, 'cause it isn't going to in heaven, going to be just perfectly one there. That's right. It's all...

Looks like some women ought to said amen to that, don't it? Never let me hear, "You're always bawling women out and talking like." Sister Hickerson, why didn't you say something, or somebody back there. Sa.. Did you? Thank you. Sister Cox, That's very good. Brother Cox, that's for you ever where you are now. All right. Yes Sir. And we should never forget to honour each other, always be sweethearts, never let it cease.

Love part

It's just like, you say... You know, you men, if you're... if you're the right kind of a husband, there's no woman in world that you love like your wife. There might be other women might be more fair. There might be women that would be prettier women, and so forth. But something... if you really love your wife, there's something in there that you don't notice what she looks like. You love her. And you don't know why, but you love her.

Honour and thank God for a good wife

"A good woman is a jewel in a man's crown," said the wisest man on earth. A man ought to honour a good woman, see. "But an evil one is water in his blood," and his blood is his life. You men that's got good wives, you don't know how you ought to thank God for a good wife! For if God could've give a man anything better for a helpmate, He'd a-done it. But a woman is the best helpmate that God could give a man. But when they turn...

Greatest gift outside salvation - darling to a man

I don't know you, Brother Correll, but upon the basis of your testimony and that truth that

you stand for... We have nothing against those women; they are sisters; we love them, but we believe that they got their place; in that they must stay. And we believe that they are darling to a man, a helpmate, and by no means.. We think they're the greatest gift outside of salvation that God ever give a man. But she's got no place in the pulpit according to the Word of God. Upon that basis and your faith in God, we lay hands on you as fellowship to come go with us. Let us lay our hands...

Sacrificial love - True Love

That's what makes a mother would die for her baby. Why? That's what makes a father would give his life for his wife. A husband, a true husband would give his life for his wife. Why? Because Christ gave His life for the Church, His wife. It's a strain in you. And it'd make a mother dash through a burning fire, not thinking about her ownself, and her hair on fire and her clothes on fire, to grab her baby, and run out with it, Why? It's love of a parent. And God is the first and original parent! And there's where that strain comes through. Because the woman gave birth to the child.

And that's the reason God has come down, manifested in the flesh, and went to the very flames, the hottest of suffering, that He might bring us into fellowship with Him; taking no thought of His own. "Not My will, But Thine be done. "How that wonderful fellowship that we have with each other and with God.

The way to have fellowship 55-1009

Part of Him

And right here we could start. I believe that when God calls a man to service, if he's a married man and has a helpmate, He calls his wife with him, because they two are one. And so, whenever, we find later on that God possibly would have killed Sarah when she doubted the Angel's message, twenty-five years later, when they were sitting under the oak that day, but when she laughed when the Angel told her, or told Abraham that she was going to be mother, and Sarah laughed within herself and said, "How could I, old? "Ninety years old, and her husband a hundred years old. His...her womb been dried up for years, and his body as good as dead. Then how could she ever have pleasure with her husband again? And she laughed to herself.

My last meeting, last meeting I had. This will be my first Message, really, to preach since then. I was preaching in Los Angeles, at the Biltmore Auditorium, and I was speaking on a man choosing himself a wife. You probably got the tape of it. It's, I said, "it reflects his character and ambitions." That, when a man takes a woman, he takes a young girl, and to be his wife; he takes, you know, a modern girl that's a common Ricketta, it-it just shows what he's...If he marries a beauty queen or a sex queen, whatever it is, it shows his, what's really in the man. But a Christian, he looks for character in a woman, because he is planning a future home with that woman. He plan, he gets a homemaker. And I said,

“Then, Christ, according to His Word here, tells us what our future Home will be. What kind of wife will he choose then, a denominational prostitute? Never! He will choose a woman that’s characterised by His Word, and that will be the Bride.”

Ashamed of Him 65-0711

If any Christian would marry a woman like that, it shows he has fallen from grace. His taste of God and his taste of a home (what a home ought to be) is far when he choose a woman like that. No, sir, she sure wouldn’t fit a Christian’s taste. Her spiritual character is the lowest ebb -dead in denominational beauty and lust of the world.

Choosing of a Bride 65-0429

No there is a lot of young women here this afternoon, you.. lot of nice girls. Now, I respect everyone of them, but there’s one Mrs. Branham. See? That’s my wife. All right. And that’s the way it is, there’s lots of church’s, there’s lot’s of people that goes to church and so forth, but there’s one Mrs. Jesus. That’s right.

And those that...It’s made up of every denomination that’s born-again by the Spirit of God and come into the Body of Christ, they take...They are joint heirs with Him.

They are with Him, and they’re a part of Him, just a part of His body. And that’s the way a wife is to a husband, is a part of him. Amen.

Speak to this Rock 53-1115

Adam had done named all of the creation and everything else. But there was nothing for himself, so He made Him a helpmate. Took a rib from his side, closed up the gash, and made a helpmate to him. And man, in his spirit, was both man and woman. And a woman is just a part of a man.

When a man take to himself a wife, and if she’s correctly his wife - a God - given wife, she will be just to him as part of him.

Here, the other night, I got a sermon on my heart, of resting. Oh, my, don’t toil anymore. “Come unto Me all ye that labour, and heavy laden. I will give you rest.” It was burning. I-I-I had to preach it to somebody, so I just spoke to my wife. I preached to her for about two hours. And she went to sleep on me. A preaching!

Resting on the finished works! Amen.

Fellowship with your wife

And now, it said here, that the -that Christ entered once for all into the -the tabernacle. Now, we find out that the -fellowship is, based upon an agreement. It has to be that way, ‘cause fellowship is something that we like to do: come together.

It’s just like a young man and a young woman meeting each other and they’re a...

They love one another, and they just can’t keep out of one another’s sight. We know, brethren, how we felt, and sister, how you felt when you met your husband, and -and there’s a fellowship. Every night, you just can’t wait till time for your date, and you want to take her somewhere to get something to eat, and you can sit and talk and you watch her.

A-it's-it's fellowship. See?

And now, before there can be fellowship, it has to be based on an agreement (See?), upon an agreement. And that's just as true as it can be. And God, before we could have fellowship with him, it first, all what makes us want to fellowship is, because it's something in us that required it.

Question and Answers 64-0830

Brother Branham, the Bible tells us that a -a wife should obey her husband. I am a Christian and my husband a sinner. He persecutes me in every way that he can, and for me not to got to church, and read my Bible, and -and denies the Word. What should I do?

What should you do? Now, listen, you're supposed to obey your husband; that's the Word. Now, if he tells you and refuses you to read the Bible, go to church, or something like that, you don't have to obey that, because, "He that will-won't forsake his father, mother, husband, wife or whatever it is and follow Me, is not worthy of Mine." Is that right?

No, don't... The man are suppose-you're not... A man's not supposed to use that authority over a woman just because he's her ruler. God is her ruler above you. Brother. See? And if your wife is doing something wrong, then don't -- then you got a right to tell her.

Responsible for moral values of children

I won't say my wife won't do it, but I have to be changed and perverted to what I am know if I ever live with her while she's doing it. And that's exactly right. My girls, they may do it when they get to be women, I don't say they won't. I don't know. That's up to the mercy of God. I hope they don't. If they do, they'll walk over the prayers of a righteous father. They'll walk over the life of somebody who tried to live right, if they ever do it. That's right.. Well, I want to live right, teach right, be right, and instruct them right. If they do that, they'll beat their way to hell, over the top of my preaching, and over the top of my Christ, and over the top of my warning; that's right, if they ever do it. Certainly, that's right.

Hebrews Cpt 7 Pt1 57-0915

I will tell you. I think, today, we have such juvenile crime wave across the nation, but, really, I think it started at home. I-I think the parents began to let go. And if the child had been raised up in a good, old-fashion, godly home; I don't say it would be all over,

certainly not, but I would certainly give that child the right kind of influence. I think, many times, that, homes that children has been brought up wrong, turned loose on the street, and just lived for themselves while the mother stays in a barroom, or the .and the father, and so forth. They don't take care of this child. Another thing, they don't love it and give it the affections, to take it up. It's young. You've got to teach it to love and respect, and to read the Bible.

Influence 63-1114

Were you ever.. When I was a boy my daddy was different from what some of the modern father are today. My daddy believed in giving whippings. He really give them. And I yet today at forty-seven years, I remember them, But it done me good. It trained me. If I could go to the grave today and raise them up, the first thing I'd do is shake his hands and hug him for what he done.

If I feel that way about my earthly father what will it be that day when we stand in His Presence and we see the things happened to us for our good, that He had to cut us a little bit here, and child-train us and take off the things of the world, and let us walk as humble children before Him. It may seem hard at the beginning, but God knows what He's doing. Sure, He knows what He's doing. And He...

Then as the Holy Spirit begins to bring the Word, then if the child has not been obedient when it becomes of maturity, the age of maturity, then, the child is always a son, certainly, but it loses something.

I said, "Wait a minute! We've raised her all we can, now put her in the hands of God - commit her." And I said, "Then when she does anything say, "Becky, darling, mother don't want you to do that, but I'm your pal; I will stick by you." See? Let her know that you love her. She's going to get somebody to love her, and it might be the wrong woman."" See? I said? "You be the woman does the loving." I said, "Honey, that sounds kind of crude, but people come everywhere, and set on personal interviews, and things." I said, "I'm so common; we're common to one another, because we're husband and wife, but we never let that happen. Your must remember, this is the Name of the Lord!" So she said, "All right."

THE UNBELIEVING HUSBAND

A cross for me

“Oh, nonsense, you knowed I didn't want them that way in the first place,” just carrying on like that. They went out there, and set down, and act like they was drunk. They heard her in there kind of snubbing herself, singing real low voice:

Must Jesus bear the cross alone,
All the world go free?
There's a cross for every one,
And there's a cross for me.
This consecrated cross I will bear,
Till death shall set me free.

One drunk looked at the other one, said, “She's a Christian; she's got it!” And that little woman led her husband, plus these others to Christ that night. See? Why? See? Just real sweet. Just remember, He knows all about it.

Not go to church?

Brother Branham, the Bible tell us that a ..a wife should obey her husband. I am a Christian and my husband a sinner, he persecutes me in every way that he can, and for me not to go to church, and read my Bible, and - and denies the Word. What should I do?

What should I do? Now, listen, you're supposed to obey your husband; that's the Word. Now, if he tells you and refuses you to read the Bible, go to church, or something like that, you don't have to obey that, because, “He that will-won't forsake his father, mother, husband, wife, or whatever it is and follow Me, is not worthy of Mine.” That right?

Show respects - don't condemn him

“My husband and I don't see alike on the Bible, the Truths - like this Truth that you preach. He doesn't understand. Should I go with him to churches when I don't believe their teaching? I'm very troubled about this.

Yes! If you are a wife of this husband, and he don't condemn you, you don't - you mustn't condemn him (see?), because the husband is sanctified by the wife. See? And I believe if he goes to some denominational church or something like that, he wants you to go down there with him.. You see? If you don't be... See, there's nothing there can harm you, 'cause you're not going to listen to what they're saying anyhow, 'cause you done said here you don't believe their preaching. See? So it ain't going to harm you, but you're showing respects to your husband. You're yielding yourself to him, and maybe in doing so, you-you'll... If they teach and do things down there... You're taught much higher things than that; you'll be salty; he'll see and come to the Lord. I believe I would go ahead.”

Refuse sinner husband?

Should a saved wife refuse herself to her husband if he is a sinner?

No sir! That's your husband, you'll drive him farther away from God than ever by doing that. See? That's right. Brother, Sister. You married him; his yours, and you're his.

Don't do it

I stood by a little lady the other night where her husband was fixing to leave her and marry another woman - a very fine known couple. I kind of looked at her. She said, "Well, I'm going to leave Brother Branham." I said, "Don't do it Sister." She said, "Oh, my husband, his ministry will be ruined. What can I do? I'm going to New York, and I'm going to get me a job" I said, "Don't do it; don't do it, Sister. Said "What can I do Brother Branham?" I said "Go up to him" Said "Well, I found one of his pictures, and I broke it up, and I done so and so. I did that." I stood there. But I said, "Go up to him, and put your arms around him, and say, Sweetheart, no matter what you done, I still love you." That will do. I was right.

Power of Love

Oh I am so glad to know that by grace, He put that in my heart. That powerful thing of love. It conquers. It'll.. you can conquer your husband. If he won't go to church, and he fusses at you for going. Just pray. Now, don't try to put it on. If you do, it won't work. But if you really get such love in your heart for his soul, he will know it. Don't you worry. The husband is sanctified by the believing wife, vice versa, you don't fool it. You can't bluff it. It's got to really be there. That's the reason where genuine faith... People sometimes think they got faith when they haven't got it... you've got to really have it. I've seen that same conquering power.
